

Come to the Kawartha Lake Stewards Association Fall Annual General Meeting

When: Saturday October 1 from 10:00 – 12:00

Where: The Lakehurst Community Hall (979 Lakehurst Circle Rd.)

We invite you to get your updates on happenings with the KLSA, including our latest projects, and hear from our two very interesting guest speakers:

Lakeshore Mammals: Who is Visiting You and When?

Don McLeod – former Fleming professor and retired naturalist - will describe the telltale signs for identifying which animals are visiting your shoreline property.

Changes in Fish Communities of the Kawartha Lakes

Lisa Solomon - management biologist with the MNR - will discuss how the Kawartha Lakes fisheries have changed since the development of the Trent Severn Waterway, with focus on walleye and what changes to the fish communities are underway.

ALL ARE WELCOME ---- ADMISSION FREE

We welcome donations to support the work of the KLSA.
